ENTERPRISE FUND

LIVINGSTON MANOR NURSING HOME

Enterprise Funds are used to account for operations

(a) that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses and depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges;

OR

(b) where the governing body has decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

The Livingston Manor Nursing Home is the County's only enterprise fund.
